A moonlight adventure on the Ångerman River inspired by Vasaloppet...

Experience true adventure on the Ångerman River, go fishing for salmon, and let the raft take you through the storybook landscape of old Norse tales, or...Let a dogsled whisk you across snow and ice from adventure to adventure, and end up in a hot (+40°C) tub under a starry sky on the sauna raft.

The thrills and experiences provided by Westin Adventure are characterized by dedication and

enthusiasm – important ingredients in the recipe for success, regardless if your goal is to win on the skiing trail or in the business world. Welcome.
